New York  
CITY.

## P R E F A C E.

The creditors of a European dealer wishing to dispose of the stock of the Bankrupt, sent them to J. W. Scott & Co., the stamp dealers, 34 Liberty Street, to sell, and they wishing to effect a speedy sale, have adopted this mode of disposing of the goods.

In assorting the stamps for sale, J. W. S. & Co. have endeavored to put the stamps in as small lots as possible to give collectors an opportunity of improving their collections at small cost. This arrangement has crowded out a large quantity of common stamps, which the compilers hope to offer for sale by the same medium in a short time.

Amongst the stamps particularly noticeable for their scarcity may be mentioned the 5 and 10 cent St. Louis, the  $\frac{1}{2}$  peso, Peru, the 5 cent Sandwich Island, and many exceedingly scarce proofs and essays.

Several small collections have been added to the sale, which will give novices an opportunity to commence collecting at a small outlay.

A variety of first-class albums all perfectly new will also be found catalogued.

# CATALOGUE OF SALE.

---

NOTE.—Every stamp in each lot is warranted genuine, and the money will be refunded for any that is found otherwise. There are however a few (not more than six) counterfeit stamps in some of the collections, but these are all common ones, and have not been reckoned in giving the number of stamps contained in the collection.
